

GREASE LOCK™ CARE GUIDE

FILTER PAD LIFE INDICATOR

Estimated Filter Pad Life Over Appliances	
Appliance	Filter Pad Life Range
Char grill	2 to 7 Days
Griddle	7 to 14 Days
Fryer	1 to 2 Months
Stove	1 to 2 Months
Range	1 to 2 Months
Other	1 to 2 Months

Notice the contrast between the outer square **1** and the inner square **2** below.
When both squares are the same color, it's time to replace the pad.

NOTE: Grease load on filter pads may vary in color over different appliances.
